

## The Golden Ticket Club Raffle

Angel Business Club, as a founding partner of Britannia's Gold Ltd (BGL), has been promised to receive 2 kg of Gold from any successfully recovered lost shipments by BGL in its quest to retrieve Britannia's lost gold. The Club has decided this possible treasure to be forwarded to its members via an internal Club raffle.

During World Wars 1&2 the British Government shipped gold bullion to pay for munitions and goods. The estimated present day value of these shipments is circa 300 Billion pounds. During both wars, some 7500 merchant ships were sunk and our research has identified more than 700 to have been specific gold & silver carriers. Britannia's Gold Ltd. has been established to finance the recovery of targeted cargoes and return them to the UK for the benefit of the Government, Investors and Merchant Marine Charities.
